## Welcome to 30West IP eLearning!

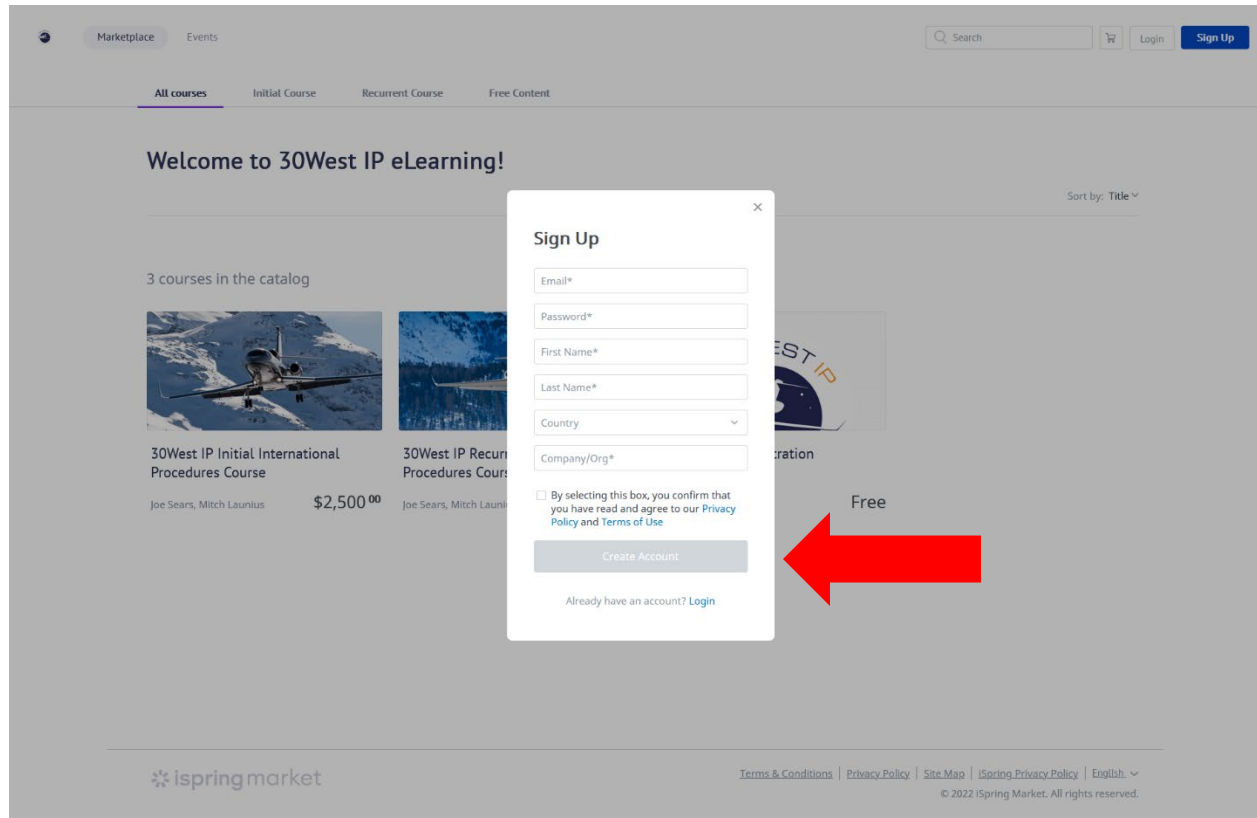

We update modules periodically. When that happens, the system replaces the old module with the new one. It registers the updated module in your account as not viewed. If you have not completed the entire course, then you will need to go back to those updated modules and view them again in order to unlock the next module that you have not yet viewed.

5. After you select the course you want, then you will be taken to the Course Info page for that course. You will need to add the course to your shopping cart so you can purchase access to view the course. You will add the course to your cart by clicking on the “Add to Cart” button:

The screenshot shows a web interface for a course. On the left is a vertical orange sidebar with navigation options: Marketplace, My courses (0), Completed (0), Events, and Achievements. The main content area is titled 'Course Info' and features a course card. The card includes a photo of an airplane in flight, a duration of 19 hours 40 minutes, the course title '30West IP Initial International Procedures Course', an 'Add to Cart' button, and a price of \$2,500.00. Below the card is a 'Description' section with text about the course content and a 'This course' box listing completion details. At the bottom, a 'Course Content' section shows the first module: '1. Course Introduction' with 1 module and a 4-minute duration. A large red arrow points to the 'Add to Cart' button.

You will have access to this course for one year. You can review the course as many times as you want within that year. You will be able to review any segment in any order after you initially complete the course. The modules will be updated as needed. If reviewing sessions later, you may see material that is more current than when you originally completed your training.
